

A close-up, artistic photograph of a person's face, focusing on the eye and nose. The person has a thoughtful or contemplative expression. The lighting is dramatic, with strong shadows and highlights, giving it a classic, painterly quality. The background is dark, making the face stand out.

A HONEST FAILURE

I would prefer
to be a honest failure
than to be
a corrupt success.

Before you Write,

Before you Spend,

I FOUND EVERYTHING

In the search for me, I discovered truth.
In the search for truth, I discovered love.
In the search for love, I discovered God.
And in God, I have found everything.

As we sail through life,
don't avoid storms and rough waters.
Just let it pass.
Just Sail

Always remember,
Calm seas never make skillful sailors.

The most important thing in any game
is not to win but to take part.

Similarly, the most important thing in life
is not the triumph but the struggle.

The essential thing is not to have conquered
but to have fought well.

When you make a mistake,
don't look back at it long.

Take the reason of the thing
into your mind and then look forward.

Mistakes are lessons of wisdom.
The past cannot be changed.

The future is yet in your power.

People will forget what you did.

But people will never forget,
How you made them feel.

Beginning today,
treat everyone you meet
as if they were going to be dead by midnight.
Extend to them all the care, kindness,
and understanding you can muster,
and do it with no thought of any reward.

Your life will never be the same again.
